ANNUAL COLLECTION

As in years past, the Steel Maintenance and Construction Unit will hold our Annual Holiday Collection for St. Pats Community Center and C.O.T.S. (Coalition on Temporary Shelter). Both of the charities are located in the Cass Corridor of Detroit where St. Pats provides hot meals for 250 senior citizens along with daily activities and medical services

at the Center. C.O.T.S. provides temporary shelter and meals for those who need a warm meal and a place to stay.

The collection is scheduled to take place from 6:30 a.m. to 8:30 a.m. and 3:00 p.m. to 4:30 p.m. on Thursday, December 5th and Friday, December 6th. Anyone interested in helping or donating food or money please call the Committeeroom at 313-317-1213.

J-9 ANGEL TREE

J-9 will sponsor their 9th annual Angel Tree program this year. This program helps children who would not otherwise have a gift at Christmas.

For further information contact the J-9 Pipe Shop or Don Yokley in the Committee-room.

CHANGES IN DEPENDENTS ON HEALTH CARE

If you have any new dependents, spouse or children, make sure you notify the company so that they are properly covered. A delay in properly notifying the company could result in dependents being denied health care services.

APPRENTICE NOTICE

Before dropping a class related to the apprenticeship, apprentices must first have the approval of the Joint Apprenticeship Committee.

THANK YOU

The family of Nathan Kennedy wishes to extend their sincere thanks to all the members of the Steel Maintenance and Construction Unit who took part in the golf outing or donated money.

This year, seniority employees (90 days seniority) will have December 24th through December 27th, December 30th, December 31st, and January 1st as paid holidays.
