

TOOL & DIE UNIT

By John Perniciaro, President

HAPPY HOLIDAYS

On behalf of the Tool & Die Unit, I would like to wish a safe and happy holiday season to everyone and their families. Remember, as we go out and buy gifts for our friends and family, look for products made in America by union workers. One way to keep this country strong is to invest in it, and what better way than to buy American by Union workers. They need our support as much as we need theirs.
